Parent Used to be one of the best schools in the area, but has declined severely over the past decade or so. There are more than a few really good teachers still there, but between the use of Core Curriculum (awful!!!!), and many of the teachers just doing the minimum required to receive a check, the level of teaching and the student State scoring levels have plummeted. Also, a majority of the children who go to the school, K-8, are forced to walk to school if they live less than 2 miles from Ventnor Elementary School!?!? Regardless of age or weather?!? Ridiculous. Misappropriation of funds needs to be investigated.
