<p>ALL utilities included-except propane. Say goodbye to surprise bills—water, sewer, trash, cable, internet, landscaping, pool service, bi-weekly house cleaning, and even electricity are all covered! 6-bedroom, 5-bathroom custom home on County Island in Cave Creek is the definition of luxury and convenience. The chef's kitchen is built for entertaining, featuring Bosch appliances, a wine fridge, and a spacious 32" Frigidaire stainless steel fridge and freezer. The enclosed patio with a mini AC split and accordion doors seamlessly blends indoor and outdoor living. With two primary suites, there's plenty of space for family or guests. Step outside to an entertainer's dream backyard—a lighted pickleball court, pool & hot tub, chipping & putting green, horseshoes, and a fully equipped outdoor kitchen with a gas range, griddle, sink, and pizza oven. As the sun sets, relax by the gas fireplace and firepit. A fully enclosed, irrigated garden awaits—ready for your green thumb to bring it to life with fresh herbs, veggies, or whatever plants you dream up! More perks? RV gates on both sides, a 5-car garage, and a private electric front gate for added security. Inside, a versatile basement with its own bathroom and fireproof safe makes for the perfect bonus space, plus there's an oversized bonus room above the garage with a mini AC split for extra storage or a creative flex space. Some furniture can stay to make moving in a breeze! With all utilities covered and unbeatable amenities, this home is a rare find.</p> <p><i>Courtesy of My Home Group Real Estate</i></p>

About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
