7438 E Visao Dr

Single Family 4/4 3,146 sq ft 13,270 1998 4/24/2025 \$1,295,000 \$412

Discover elevated desert living in this meticulously updated luxury estate, ideally nestled within the prestigious guard-gated enclave of Bellesara. From the moment you enter the private front courtyard and step through the striking custom Art Deco-inspired wrought iron double doors, you'll be enveloped in a sense of timeless elegance & refined design. The expansive open-concept living space is bathed in natural light and anchored by neutral tile flooring that flows seamlessly throughout the home, creating a cohesive and sophisticated ambiance. At the heart of the residence lies a gourmet chef's kitchen, completely reimagined in 2021 to offer both beauty and function. Highlights include a gas cooktop, abundant shaker-style cabinetry, a generous center island, and extensive prep & storage areas ideal for entertaining or everyday luxury. The grand primary suite is a serene sanctuary, featuring a spa-inspired bath with dual vanities, a walk-in shower, and a large walk-in closet. Two additional guest suites are connected by a Jack and Jill bath, while the attached casita with en suite bath provides exceptional privacy for visitors or the perfect space for a home office or studio. Outdoors, the home is framed by professionally designed, low-maintenance desert landscaping in both the front and rear yards. The backyard retreat offers enhanced tranquility, as it backs to a natural desert wash, ensuring privacy & unobstructed views of the surrounding beauty. As a resident of Bellesara, you'll enjoy access to an array of upscale amenities, including a resort-style clubhouse with a library and fitness center, a heated pool and spa, and tennis, pickleball, and basketball courts all designed to complement a lifestyle of leisure and elegance. This property does NOT have a pool, a rendering is provided to show what the backyard would look like with a pool.

Wow in N Scottsdale! Crafted as a true custom Home - not a copy - this architectural gem was designed to the owner's meticulous standards, offering a rare blend of privacy, panoramic views, and refined comfort in a prime location. Elevated and gated on 1.5 acres, the property delivers the peace of a desert retreat just minutes from Carefree's boutique shopping, fine dining, and vibrant arts scene, with convenient access to Scottsdale and Phoenix. The grand, rounded design blends Southwestern warmth with Modern sophistication. At the heart of the Great Room, a dramatic curved window captures stunning vistas and floods the space with natural light. Curved ceiling details, rich wood floors, and hand-selected finishes create an ambiance that's both elevated and deeply inviting. Designed for elegant entertaining and effortless everyday living, the open-concept layout flows beautifully to outdoor spaces, while the spacious Primary Suite and Guest Rooms open to the private patio and the pool. Outside, the Home's signature architecture continues across a generous patio with open-air living, a firepit, and a sparkling pool and spa - all perfectly positioned for iconic Arizona sunsets, layered mountain views, and shimmering city lights. Detailed pride of ownership - the systems have been flawlessly maintained and are current, ensuring a truly move-in ready experience. The owners are open to creative proposals to make the next chapter happen. Live beautifully. Live here.

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
