October 2026 Active Listings

Deer Park, Texas

Single Family + Condo/Townhouse/Apt.

This graphic summarizes key statistics for properties that were in an active status on the last day of each month. RPR uses list date and a derived pending date to determine if the listing was active on the last day of the month. An end-of-month snapshot of active listings helps to understand inventory levels, price points and duration on the market.

October 2026 Sold Listings

Deer Park, Texas

Single Family + Condo/Townhouse/Apt.

This graphic summarizes key statistics for properties that sold each month. RPR uses a derived sold date to determine when a property moved into a sold status within the given month. These statistics are important for understanding the price points on sold properties as well as the difference between the list price and sold price, which reveals whether buyers are paying over or under the asking price.

- RPR® is the nation's largest property database, exclusively for REALTORS®. It empowers REALTORS® to help buyers and sellers make informed decisions, backed by a real estate database covering more than 160 million residential and commercial properties in the United States.
- RPR is a wholly owned subsidiary of the National Association of REALTORS® and a member benefit to REALTORS®.
- RPR's data sources range from MLSs and county-level tax and assessment offices, to the U.S. Census and FEMA, to specialty data set providers such as Esri (consumer data), Niche (school information) and Precisely (geographic boundaries).
