The appraisers' comps are inappropriate. 308 W. Barbee Chapel Road is in appropriate because of its luxury positioning and $1.1125 million sale price. 134 S. Camellia Street is geographically plausible but substantially undersized and of a far inferior level of finish details.

The comps in this report are more accurate.

1. **119 Jones Creek Place** as the best primary comp because it is in the neighborhood. (This comp was used by the appraiser)
2. **120 Nolen Lane** has similar finish details and is built in the same timeframe
3. **302 Edgewater Circle** has a finished basement and has similar finish details and is a similar age
4. **134 S. Camellia Street** is only appropriate as a supplemental nearby townhome sale.
5. **308 W. Barbee Chapel Road** is only appropriate in a broader market context, not a direct valuation comp because it is a high-end luxury townhome.

The comps suggest a valuation of $720,000 but my professional opinion is that the refined value -- $673,000 – is the correct valuation for 236 Towne Ridge Lane.

Pittsboro, North Carolina

October 2026 Active Listings

Pittsboro, North Carolina

Single Family + Condo/Townhouse/Apt.

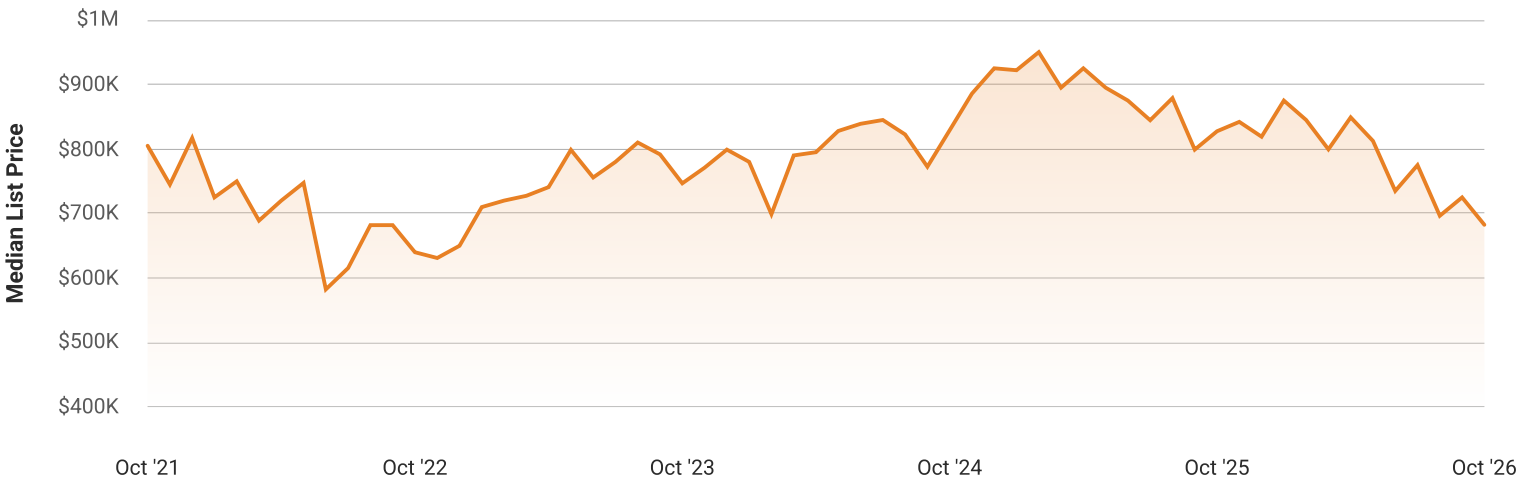

This graphic summarizes key statistics for properties that were in an active status on the last day of each month. RPR uses list date and a derived pending date to determine if the listing was active on the last day of the month. An end-of-month snapshot of active listings helps to understand inventory levels, price points and duration on the market.

Pittsboro, North Carolina

October 2026 Sold Listings

Pittsboro, North Carolina

Single Family + Condo/Townhouse/Apt.

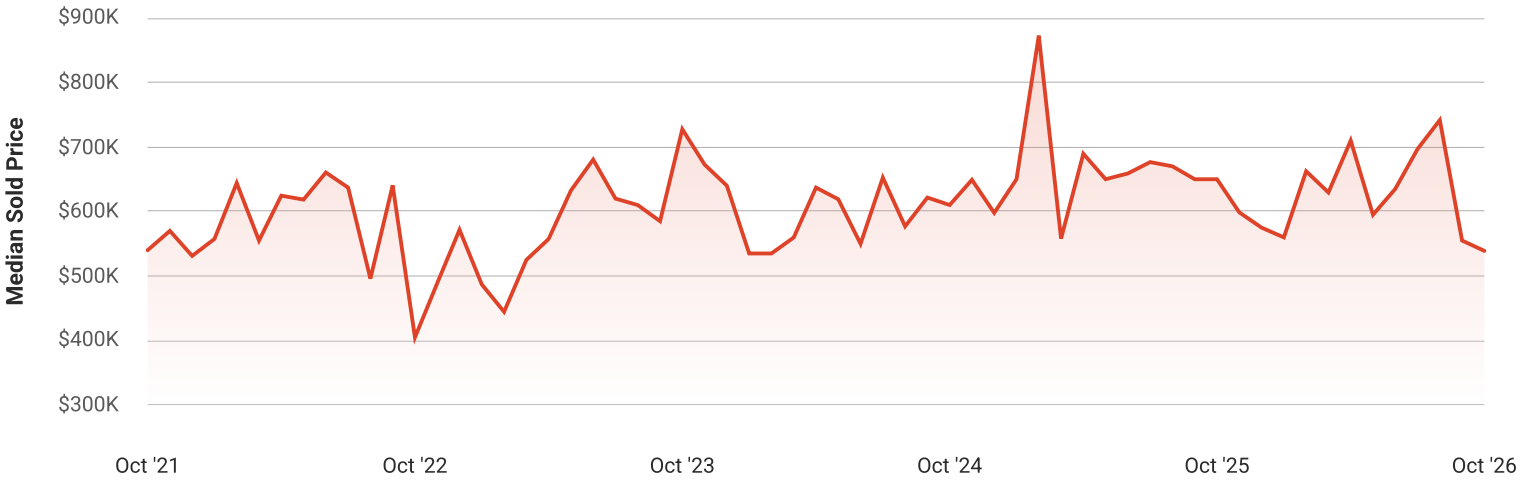

This graphic summarizes key statistics for properties that sold each month. RPR uses a derived sold date to determine when a property moved into a sold status within the given month. These statistics are important for understanding the price points on sold properties as well as the difference between the list price and sold price, which reveals whether buyers are paying over or under the asking price.

About RPR

- RPR® is the nation's largest property database, exclusively for REALTORS®. It empowers REALTORS® to help buyers and sellers make informed decisions, backed by a real estate database covering more than 160 million residential and commercial properties in the United States.
- RPR is a wholly owned subsidiary of the National Association of REALTORS® and a member benefit to REALTORS®.
- RPR's data sources range from MLSs and county-level tax and assessment offices, to the U.S. Census and FEMA, to specialty data set providers such as Esri (consumer data), Niche (school information) and Precisely (geographic boundaries).
