September 2026 Active Listings

Village at Castle Pines in Castle Pines Village, CO

Single Family Residence

This graphic summarizes key statistics for properties that were in an active status on the last day of each month. RPR uses list date and a derived pending date to determine if the listing was active on the last day of the month. An end-of-month snapshot of active listings helps to understand inventory levels, price points and duration on the market.

September 2026 Pending Listings

Village at Castle Pines in Castle Pines Village, CO

Single Family Residence

This graphic summarizes key statistics for properties that were in a pending status on the last day of the month. RPR uses the list date, a derived pending date and a derived off-market status date to determine if the listing was in a pending status on the last day of the month. An end-of-month snapshot of pending listings helps to understand inventory that is waiting to close, price points and duration on the market.

September 2026 Sold Listings

Village at Castle Pines in Castle Pines Village, CO

Single Family Residence

This graphic summarizes key statistics for properties that sold each month. RPR uses a derived sold date to determine when a property moved into a sold status within the given month. These statistics are important for understanding the price points on sold properties as well as the difference between the list price and sold price, which reveals whether buyers are paying over or under the asking price.

September 2026 Months Supply of Inv.

Village at Castle Pines in Castle Pines Village, CO

Single Family Residence

This graphic summarizes key statistics that describe the given month's inventory level and the percentage change in the last month and year. Months of inventory is the number of months it will take a market to absorb the inventory that's available at the end of the month, based on the number of properties that typically go into pending each month. RPR calculates months of inventory by dividing the count of listings that were active on the last day of the month by a rolling 12-month average of newly pending listings.
