Hi there!

Looking to buy your dream home? Ready to sell and move on to your next chapter? Just browsing listings and wondering if you should knock down a wall? I've got you.

I've been a licensed real estate agent since 2018, helping people all over the Tri-Cities and Southwest Virginia make smart, confident moves. I bring experience, local know-how, and a good sense of humor to every transaction. Buying or selling a home is a big deal, but it doesn't have to feel like a root canal.

Before I got into real estate, I spent over ten years in healthcare and customer service. So I'm no stranger to high-stress situations, problem-solving, or having twenty tabs open in my brain at once. I also discovered a deep love for home projects. I've personally remodeled everything from lighting and flooring to stairs and trim. Turns out, pulling up old carpet is weirdly therapeutic.

Here's how I help:

- If you're selling, I'll help you price it right, prep it well, and make sure it shines for the right buyers. Yes, curb appeal still matters.
- If you're buying, I'll guide you through the search, help you spot a solid investment, and make sure you avoid homes that are more trouble than they're worth.
- If you're out of state, I'll be your boots on the ground and your voice of reason. You'll get video tours, honest opinions, and zero pressure.
- If you're human, I'll treat you with respect, empathy, and zero sales-y nonsense. And yes, I'll probably check in long after closing just to see how you're doing.

At Red Door Agency, I have access to top-tier tools and tech that help my clients stay ahead of the game. But more importantly, I actually care. You're not just a transaction. You're a person making a big life decision, and I'm here to help you through it.
